Subject: Nurses leaving us to work with Rachel

Hi Chrissy,

I figured I should share. I am not sure if CHG is enforcing any non compete stuff but here ya go...

Morning! The one week extension was approved! I will go ahead and process and send a revised confirmation with the new end date. I also was hoping to connect and discuss your plans, call me if you have a few minutes to chat today :)

Awesome thank you for that. Im I am probably going to be going back to my old recruiter that you took over for. But again if the rate is right me and my

friend will travel with whoever pays the most
